Hi Tom,

Joe and I wanted to send you a quick note of thanks.

When Joe and I decided to sell the business, we were a little nervous, we had never done anything on such a large scale before. But after meeting with you we immediately felt we had made the right decision in choosing you to sell.

Your attention to the little details and the quality of service you provided was above and beyond what we had expected. Thank you so much for all your patience and advice, and putting up with all the calls and questions in such a professional and Personable manner.

Joe and I look forward to doing business with you again in the near future.

Joe & Catherine LaMantia
